

# Phonics Games:

## ow - ou - oi - oy

**Instructions:**

1. Each player places a counter on the green arrow at the start of the board.
2. Players take turns to roll the die. They move their counter to the next space containing the same spelling pattern as the word on the die (eg if you rolled 'cow' on the dice you would move your counter to bow'.)
3. If it says 'miss a turn' or 'move forward 3 spaces' then you should follow that instruction.
4. The winner is the first person to have their counter land on a 'balloon' space at the end of the board.
